The No 3 of the Valiant Eight keeps flipping our skirts when we aren't paying attention!

Yes it's kinda embarrassing

Oh?

So it finally got exposed? I'll take responsibility for what I've done alone
Getting kicked in the crotch? I'm already used to that

I am their boss! Any torture goes to me too!
Oh? Sure

Bro Jun! Leave me alone!
Silly! How can we bros let you die alone!

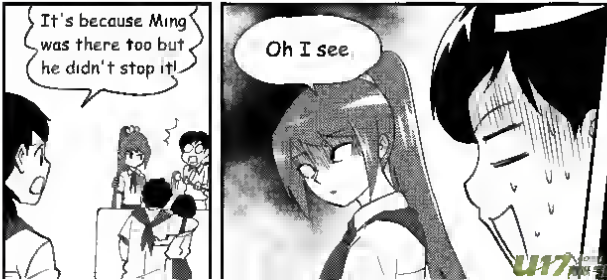
Your Majesty
The army has earned some merits in the wars, please be-merciful
Oh? Are you interceding?



It's because Ming was there too but he didn't stop it!
Oh I see

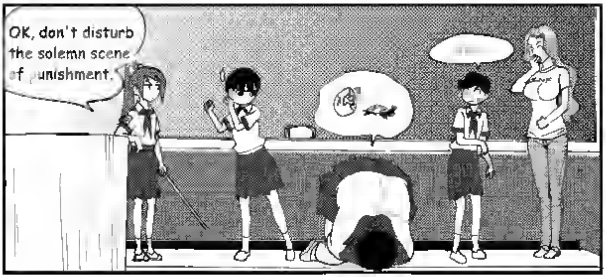
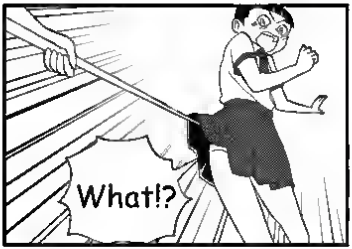
I want to die!
Ms Lanlan, you're having quite some fun as the homeroom teacher.

Concubine Lan, thank you for borrowing uniform skirts from the logistics department
My pleasure
So you have already gotten used to the title of Concubine Lan?
OK, time for revenge, now flip their skirts
Eh?
That's not necessary! It's enough to have Your Majesty upholding justice for us, plus it's weird
Oh?
Hohohoho!
Come here and flip my skirt!
Or do you want me to show it to you myself? Don't be shy!
Look! This is your compensation!
What's wrong? This joyful feeling!
Joyful



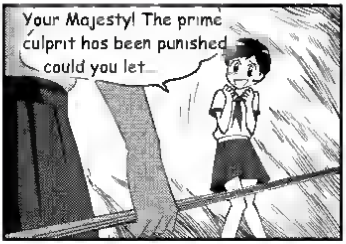
OK, don't disturb the solemn scene of punishment.

Zhen'll do it for you then



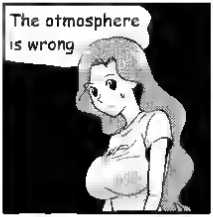
What!?

Great
*Sob! I'll never do it again!
Shiver
啊！这种羞耻的感觉！
Ah! The feeling of shame!
Eunuch Ming, your turn next

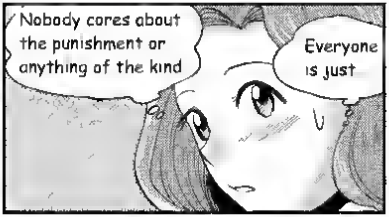


Your Majesty! The prime culprit has been punished could you let...

Ohh, look at Ming's bashfulness
Just like a woman



The atmosphere is wrong



Nobody cares about the punishment or anything of the kind
Everyone is just

waiting for Ming's next reactions!
Your Majesty! No

Ah!

Nice! Concubine Lan!

哎
After school...
Ming, let s go home together
Eh?
Ming became more popular
And that is a normal and happy day in Her Majesty s life

威~~~武~~~~is used when a local official is holding a judicial case. Before the court hearing starts the bailiffs would moan that as a formality. It existed only for a specific period.

Usually the scene would look like the picture above.
